

**One People One Reef**  
**2022 Ulithi Youth Program**

**Tentative Itinerary:**

**June 12:** SF/Honolulu

Check in at San Francisco International Airport for United Airlines flight to Yap via Honolulu and Guam. Cross the International Date Line and arrive in Guam the following day.

**June 13:** Arrive in Yap

Late arrival in Colonia. Group is transferred to our hotel.

**June 14:** Yap

Learn about Micronesian reef ecology and Yap culture. Data collection training include in-water training survey. This snorkeling excursion also includes time at Manta Ray Channel to look for the manta rays for which Yap is famous. Preparation for Ulithi Atoll reef and community work. Island hike. The people of Yap have retained many ancient traditions and customs, including the famous stone money, and we will learn what these customs signify in the life of the Yapese.

**June 15:** Yap/Ulithi

This morning we take a 45-minute flight to Falalop on Ulithi Atoll and transfer to our lodge. Excellent snorkeling from our beachfront hotel. Next nights at the Falalop lodge, or remote islands sleeping on the floor or beach..

**June 16-28:** Ulithi Atoll

Daily community service activities including reef surveys and community service programs. Work with local youth and community members in the development of action plans. Visit remote islands and the outer island of Gielop known as the largest green turtle nesting site in Micronesia.

**June 29:** Ulithi/Yap

Morning reef survey. Early afternoon flight back to Colonia on Yap. Overnight in a comfortable hotel.

**June 30:** Yap

Wrap up. Late afternoon free time for shopping and exploration. Farewell dinner. Prepare for late night departure home.

**July 1:** Yap/Guam/Honolulu/SF

Mid-night flight from Yap to San Francisco, via Guam. Cross the International Date Line and arrive in Honolulu in the late afternoon of the previous day. Mainland participants arrive on June 30.
